## DIRECTOR | VANESSA WAINWRIGHT

*Into the Woods* is one of my favourite musicals and it is so exciting to be part of bringing this production to the Savoyards community. I have loved this show for so long that I jumped at the chance to be able to direct this show for 'Savoyards at the Star'.

*Into the Woods* takes familiar fairy tale and storybook characters that we all know and love, and have grown up with, and brings them into a new light. Each character moves from being the archetypes that we remember from childhood, to these layered, dynamic and real characters, navigating through the challenges, needs and wants in their own lives.

It has been a blessing to work with such a talented and supportive team throughout this whole process. From our wonderful cast, who are a directors dream, to all our dedicated creative and technical teams. Thank you to Shelley Quinn who was the strength and foundation of this show behind the scenes, and to Sue Podger, our rehearsal pianist who was an integral part of our team and great support to our cast, Matthew and I.

To Matthew Semple, thank you for being my team mate and support as we navigated the woods together. I could not have done this show without you by my side. Thank you for your dedication, never ending talents and friendship from start to finish on this journey.

*Vanessa W.*
